—DID YOU KNOW—

That although punter-placekicker Steve Cox has only been successful on two of his six field goal attempts in his four-year NFL career, those two successes rank among the six longest field goals in NFL history? In 1983 Cox connected from 58 yards away in his only attempt while his only successful field goal in 1984 was from 60 yards.

—DID YOU KNOW—

That in the game (vs. New Orleans on October 7, 1984) in which Chicago's Walter Payton broke Jim Brown's all-time career rushing record, Payton also broke Brown's record for most 100-yard rushing games in a career? And that in the game (vs. Houston on December 9, 1984) in which Los Angeles' Eric Dickerson broke O.J. Simpson's single-season rushing record, Dickerson also broke Simpson's record (shared with Earl Campbell) for most 100-yard rushing games in a season? He set the record with 12.
